Webshop

- **Empty packaging can't be stored in the exhibition hall** during the exhibition due to fire safety regulations. Exhibitors must take this back immediately after the set up (for the entire duration of the exhibition).
- You can call upon ZIEGLER EXPO LOGISTICS for storage of your empty packaging. After the set up, they take your packaging to their warehouse (located behind the Brussels Expo site) and bring it back to your booth for dismantling.
- **ATTENTION:** Empty packaging that is found in the exhibition hall by the organization will still be stored at ZIEGLER EXPO LOGISTICS at the expense of the exhibitor (including a surcharge of € 250,-).

 - Participants exhibitor drink
 - Company name to put on booth name tag
 - Lead capturing
 - Lettering for nameplates
 - Access cards for build-up and dismantling:
 - Vans / trucks
 - Passenger car (limited to 1 per module, 12sqm)

New website

Attention:

- Any change to your profile is immediately live on our 'old' website: expo.laborama.be
- We copy your info to the new website: laborama360.be

Changes made will not immediately be visible at the laborama360.be website

Exhibitor guide & web profile

Access via login details

- To manage company details
- Your entry in the online exhibitor guide
- Add promotion materials / logo

The screenshot shows the Laborama Expo website. The navigation bar is pink and contains the following items: Home, Info voor Bezoekers, Scientific Sessions, Media partners, Info voor exposanten, Vacatures, Aanmelden, MyCompany (highlighted with a red box and a red arrow), MyProfile, Promo, and Log Out. The main content area is blue and features a large banner for Laborama 2026. The banner includes the text: 'Laborama 2026', 'Vakbeurs voor de laboratoriumprofessional', 'De 26ste editie van Laborama zal doorgaan op donderdag 19 en vrijdag 20 maart 2026 in Paleis 3 van Brussels Expo.', 'Naast de vakbeurs wordt er ook een 2-daags congres met interessante gastsprekers voorzien voor de bezoekers.', 'LABORAMA is het platform waar professionele gebruikers en aanbieders met elkaar op een open en vrijblijvende manier in contact kunnen treden. Zoals steeds zijn alle sectoren die verbonden zijn met de laboratoriumsector goed vertegenwoordigd. Hierdoor is LABORAMA de totaalbeurs voor laboratoriumtechnologie in België en Luxemburg.', and a button 'Registreer als bezoeker ->'. To the right of the banner, there is a section for '19 en 20 maart 2026' with a list of events: 'Brussels Expo', 'Donderdag' (van 09:30 tot 16:30), 'Vrijdag' (van 09:30 tot 16:00), and 'Gratis toegang na registratie'. A button 'Inschrijven als exposant ->' is located at the bottom of this section.

Review your information

- Address information
- Profile page
 - Phone, fax, mail
 - Socials
 - Video link (YouTube, Vimeo)
 - Description in 3 languages (or EN for all!)
 - Photos
 - Do & discover point
- Logo
- Product categories
- (Brands)

The screenshot shows the Laborama web profile management interface. It is divided into several sections:

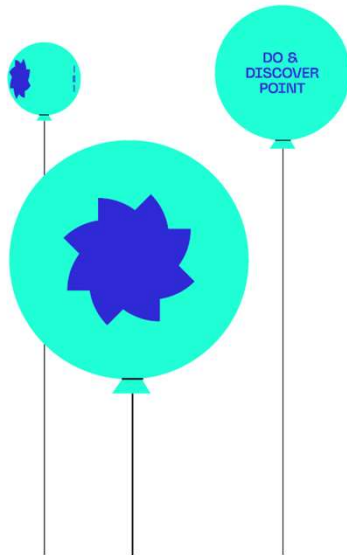

- Company profile**:
 - Company and billing details**: Fields for Name (Laborama), Address (Researchdreef 12), ZIP code (1070), Town (Anderlecht), and Country (Belgium).
 - Company info**:
 - Logo**: Upload area for 'Laborama logo-laborama.jpg (10 kB)'. A 'Bestand kiezen' button is present.
 - Presentatie NL**: A rich text editor with a menu (File, Edit, View, Insert, Format) and a paragraph of Dutch text.
 - Presentatie FR**: A rich text editor with a menu and a paragraph of French text.
- Brands**:
 - Merken**: A list of brands: ZMAG, THERMO SPECTRONIC, SM, ELEKTRONIKA, SPRIME. A 'Select/change...' button is highlighted.
- Products and Services**: A grid of checkboxes for various lab equipment categories:
 - Algemeen**: General lab equipment (checked), Anaerobic workstations, Autoclaves, Cameras, Colony counters.
 - Labels and labelprinters**, **Data loggers**, **Deslitation & evaporation**, **Lab Information Management Systems (LIMS) - Data analysis systems**, **Pression meters**, **Laboratory balances & scales**, **Glassware and consumables**, **Labautomation/Lab robotics/ Sample prep automation**.
 - Laminair air flowsystems and Biosafety cabinets**, **Light sources**, **Liquid handling**, **Airspeed meters**, **Media preparation and distribution**.
 - Microwave & digestion systems**, **Optical sensors & components**, **Pumps**, **Potentiometric measurements, titrators**, **Laboratory reagents**.
 - Sterilization equipment and cleaning (mechanical, ultrasonic, liquid, thermal disinfection)**, **Vacuum equipment**, **Humidity meters**, **Freeze dryers**, **Water analysis**.
 - Water purification (demi, ultra, RO)**.
 - Analytische en Optische Instrumenten**:
 - Analytical devices (general)** (checked): Atomic absorption spectrometry - ICP-ICP/MS -XRF, BOD meters, Calorimeters, Chromatography (gas/liquid phase), Capillary Electrophoresis - Data, CS/ONH analysis, Dissolution, Chromatography columns, consumables, Electron microscopy, Gas generators, Gel Permeation Chromatography (GPC-SEC), Infrared spectrometry (IR, NIR, FTNIR), Infrared spectrometry.
 - Calibration standards/ Reference materials**, **Coupling LC/MS GC/MS**, **Air sampling equipment (microbiological)**, **Luminometers**, **Mass spectrometry**.
 - Microscopy**, **NMR**, **Online analyzers**, **Organic mass spectrometry**, **Osmometers**.

Exhibitor guide & web profile

Do & discover points

- Let visitors test, experience and discover.
- Visible from afar
- Marked on the exhibition floor plan

The screenshot shows the Laborama website's exhibitor profile editor. At the top, there is a navigation bar with the Laborama logo and menu items: Home, Info for Visitors, Scientific Sessions, Your visit, Info for Exhibitors, Job vacancies, Sign in, MyCompany, MyProfile, and Promo. A search bar is located in the top right corner. The main content area is titled 'Presentatie EN' and contains a rich text editor with a menu (File, Edit, View, Insert, Format, Table, Tools) and various formatting options. The text in the editor reads: 'Laborama is the professional association for the distributors and manufacturers of laboratory equipment and accessories. With nearly 100 members, the laboratory sector reaps the benefits of the presence, the services and the representative character of the professional association which can count on a rich history but has its sights firmly set on the future. Besides the services that our members can expect from their professional association, Laborama aims to be an active partner for the scientific community as a whole.' Below the text editor, there is a red-bordered box labeled 'Do discover point' containing a text input field with the placeholder text: 'Enter a description here of the customer interaction you will be providing and for which you wish to obtain the do & discover label.'

Exhibitor guide & web profile: summary

Company profile: manage yourself via our expo.laborama.be website

- Changes will be live immediately; we apply asap on laborama360.be

Mail to info@laborama.be

- Latest news
- Job vacancies

Google form

- Practicals: booth personnel, entry passes set-up/dismantling,...

Setup and dismantling

Setup

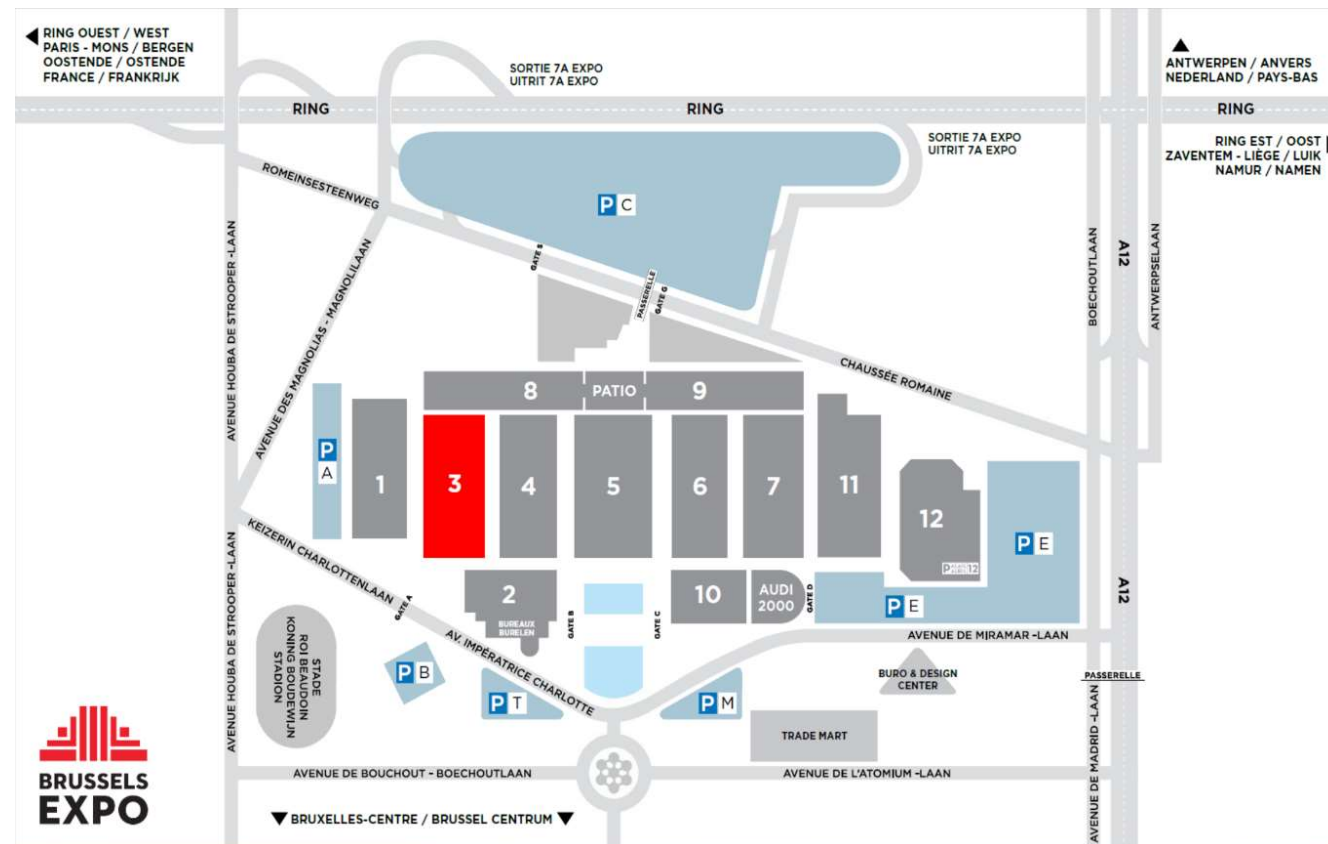

- Wednesday, March 18th from 12h00 till 22h00
 - Inform if more time is needed (after 22h00)
- Thursday, March 19th from 07h00 till 09h00
 - (only finishing – no cars inside the fenced area)
- Entrance: Gate A

Dismantling

- Friday, March 20th from ??h to 21h00

During set up and dismantling, entrance within the fenced area is only possible with a valid entrance card. Order via Google-form.

- Don't duplicate!
- Will be sent electronically!

Setup and dismantling

Procedure dismantling:

- 16h00 Last visitors leave
 Gates open
 Ziegler enters with empty packaging
- 16h30 Last shuttle from hall 3 to parking C
- Upon go of local police
 - Start of convoy from Parking lot C into the fenced area of Brussels Expo
 - Trucks and vans first
 - Convoys of 40 vehicles max: The line will be broken up in runs of 40 vehicles to avoid major traffic interruptions on the Chaussée Romaine
 - Once all vehicles of the convoy entered the premises, gate A will be opened for cars parked at parking B & T
- 21h00 exhibitors need to have left the premises

We can't provide exact timings!

- It all depends on how many visitors stay late, number of vehicles in the convoy and traffic at the time of closing the trade show.
- The convoy will be formed as of 13h00. You can put your vehicle in line – following the instructions of the guard, leave it and return at 16:00 to wait for the start

Setup and dismantling

Setup:

- Via Gate A
- Av. Impératrice Charlotte / Keizerin Charlottelaan

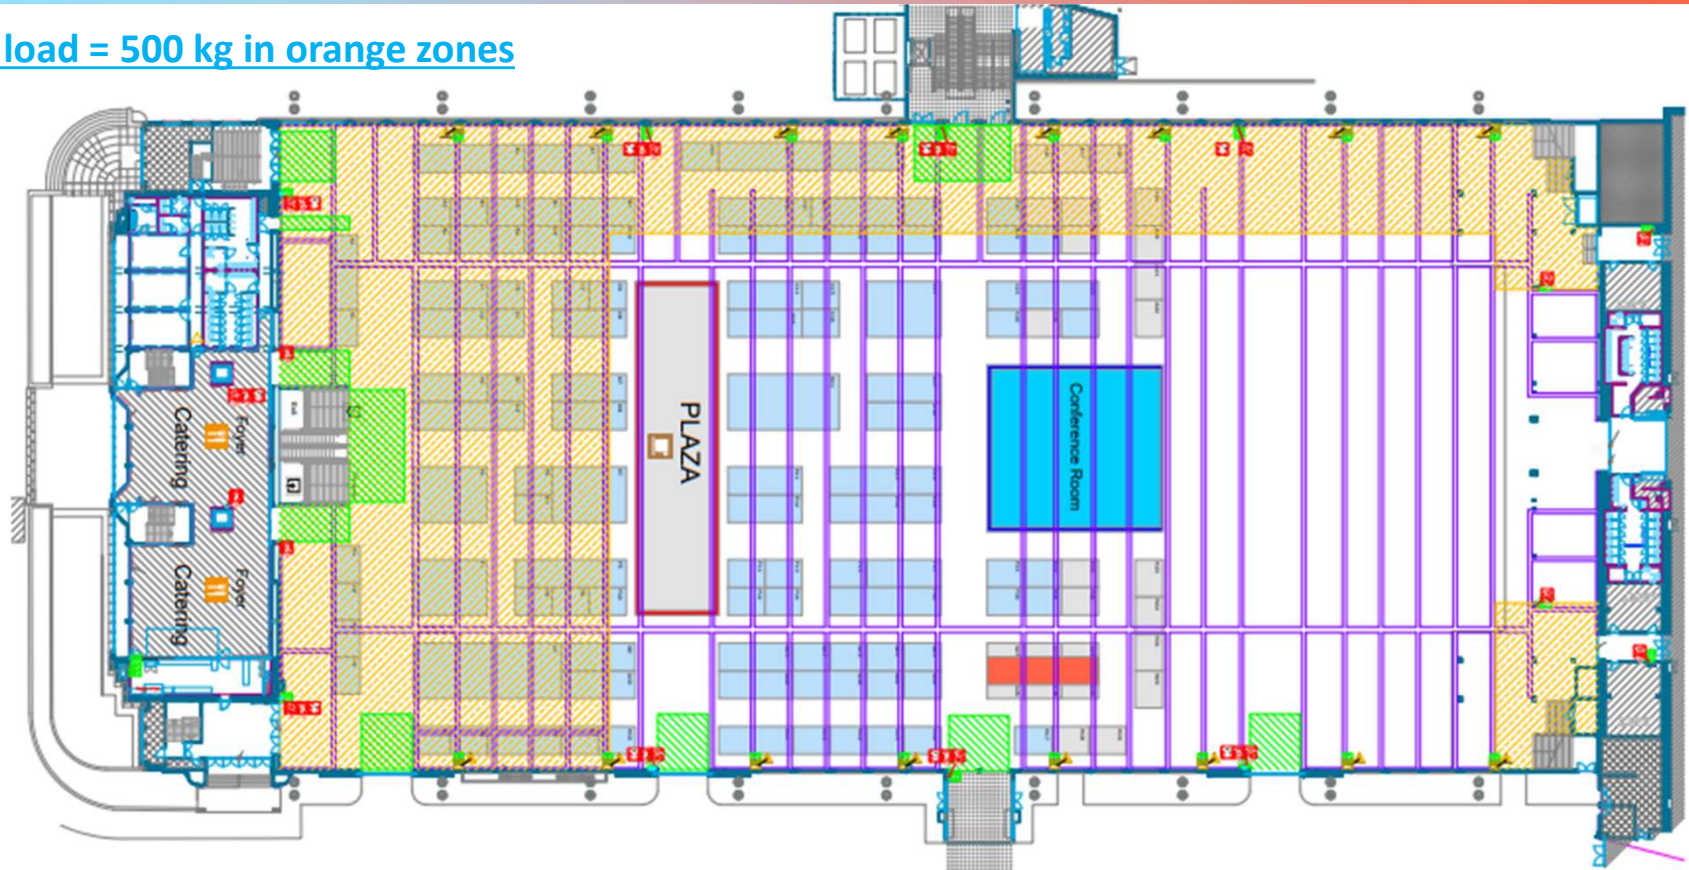

Dismantling:

- Predominantly for vans and trucks
- In convoy from Parking C via gate G

Setup and dismantling – floorplan hall 3

Attention: floor load = 500 kg in orange zones

Parking Exhibitors & Visitors

Address:

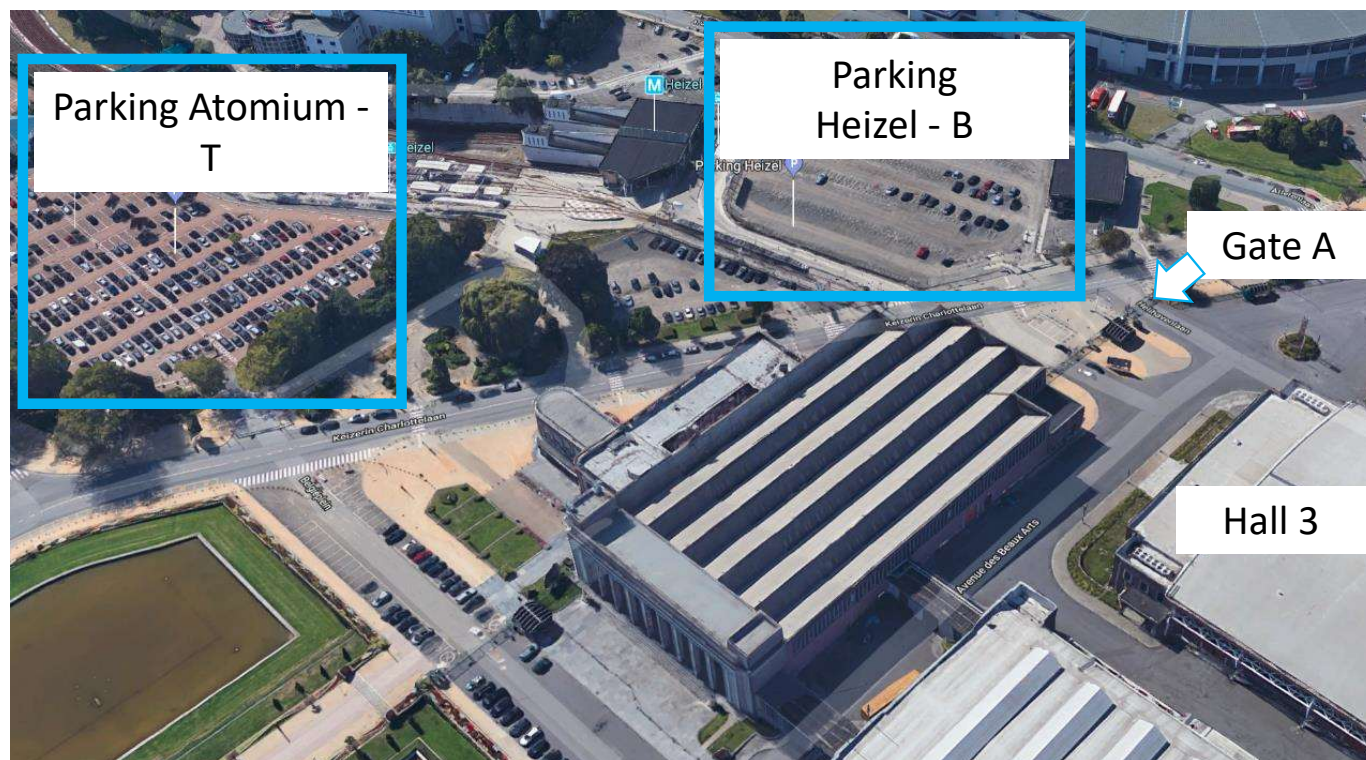

Keizerin Charlottelaan / Av. Empératrice Charlotte

Parking Heizel – Parking B: exhibitors only

Parking Atomium – Parking T: exhibitors & visitors

Parking space costs €12/day on March 19th & 20th

4 parking tickets per module of 12m² included in the booth price (2 tickets per day)

Parking Exhibitors & Visitors

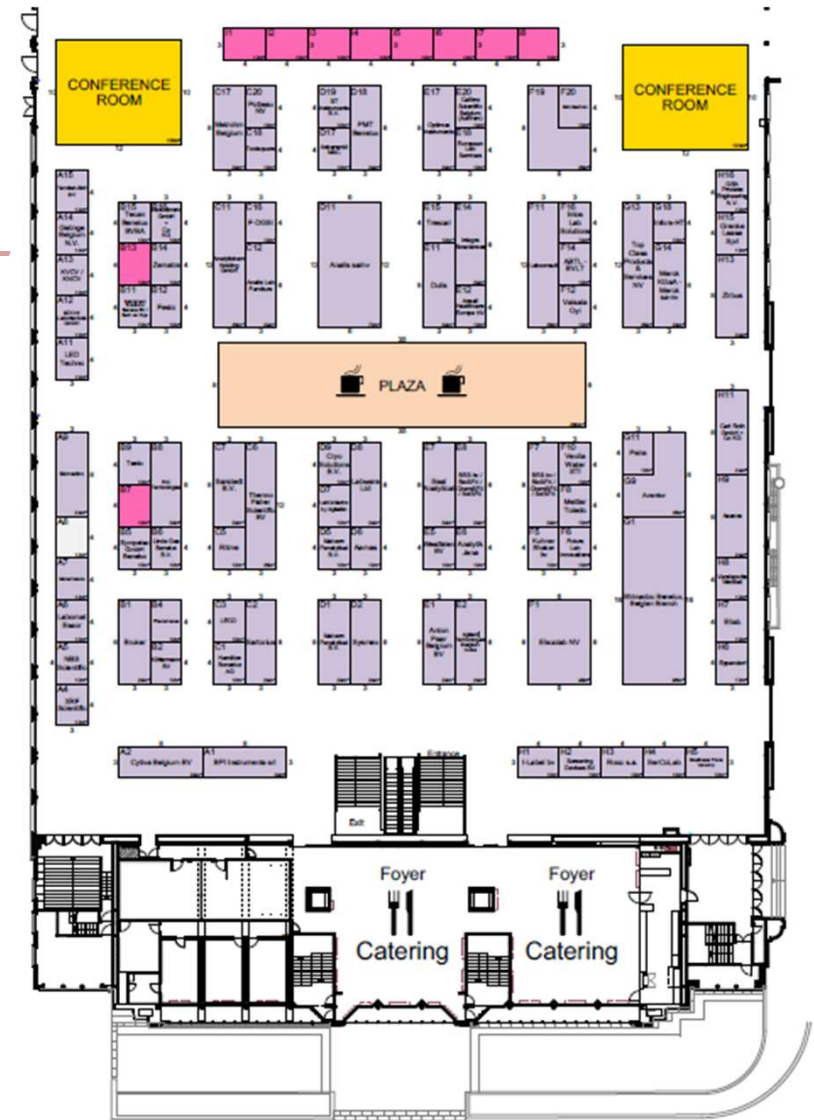

Parking C

- Follow road signs to:
 - Brussels Expo / Exit 7
- Shuttle
 - from Parking C to hall 3 (front entrance)
 - On March 19th from 08h30 to 17h00
 - On March 20th from 08h30 to 16h30

Catering

- **1 Early Birds Cafe- Entrance**
- **1 Barista – Plaza**
- **1 restaurant/sandwich bar**
Located at the front of the hall - Foyer
- **2 food trucks**
Located at the front of the hall – Foyer
- **Exhibitor drink - 19/03**
At the Plaza

Registration

Visitor registration for LABORAMA 360 and Scientific Sessions via LABORAMA 360 website

Visitor registration: personalised link per exhibitor

Registration of booth personnel

- Via Google Form
- Ask us for an Excel template for bulk import (info@laborama.be)

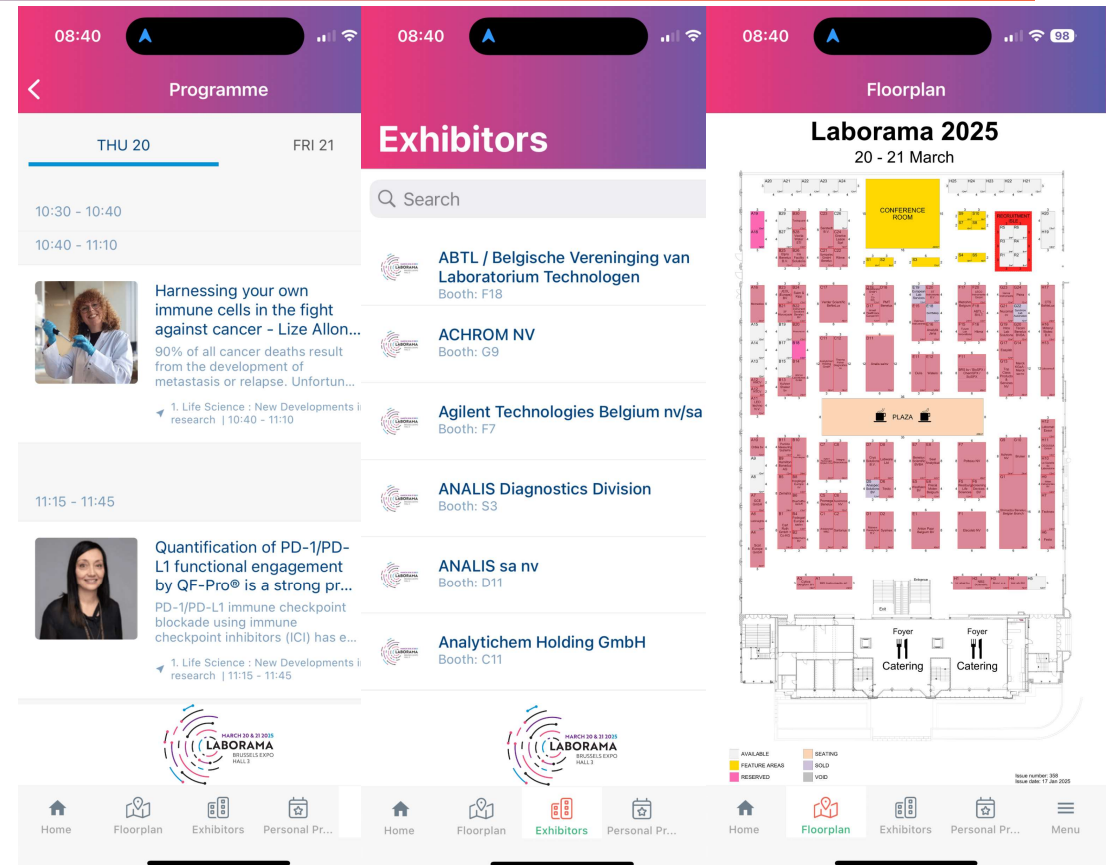

LABORAMA 360 application

For visitors:

- Consult floorplan
- Consult exhibitor profiles
- Consult congress programme
- Do & discover points

For exhibitors:

- Scan badges to capture leads
- Ability to go back and edit notes (limited to the person who performed the scan)
- Scan = save: No more missing leads when forgetting to save

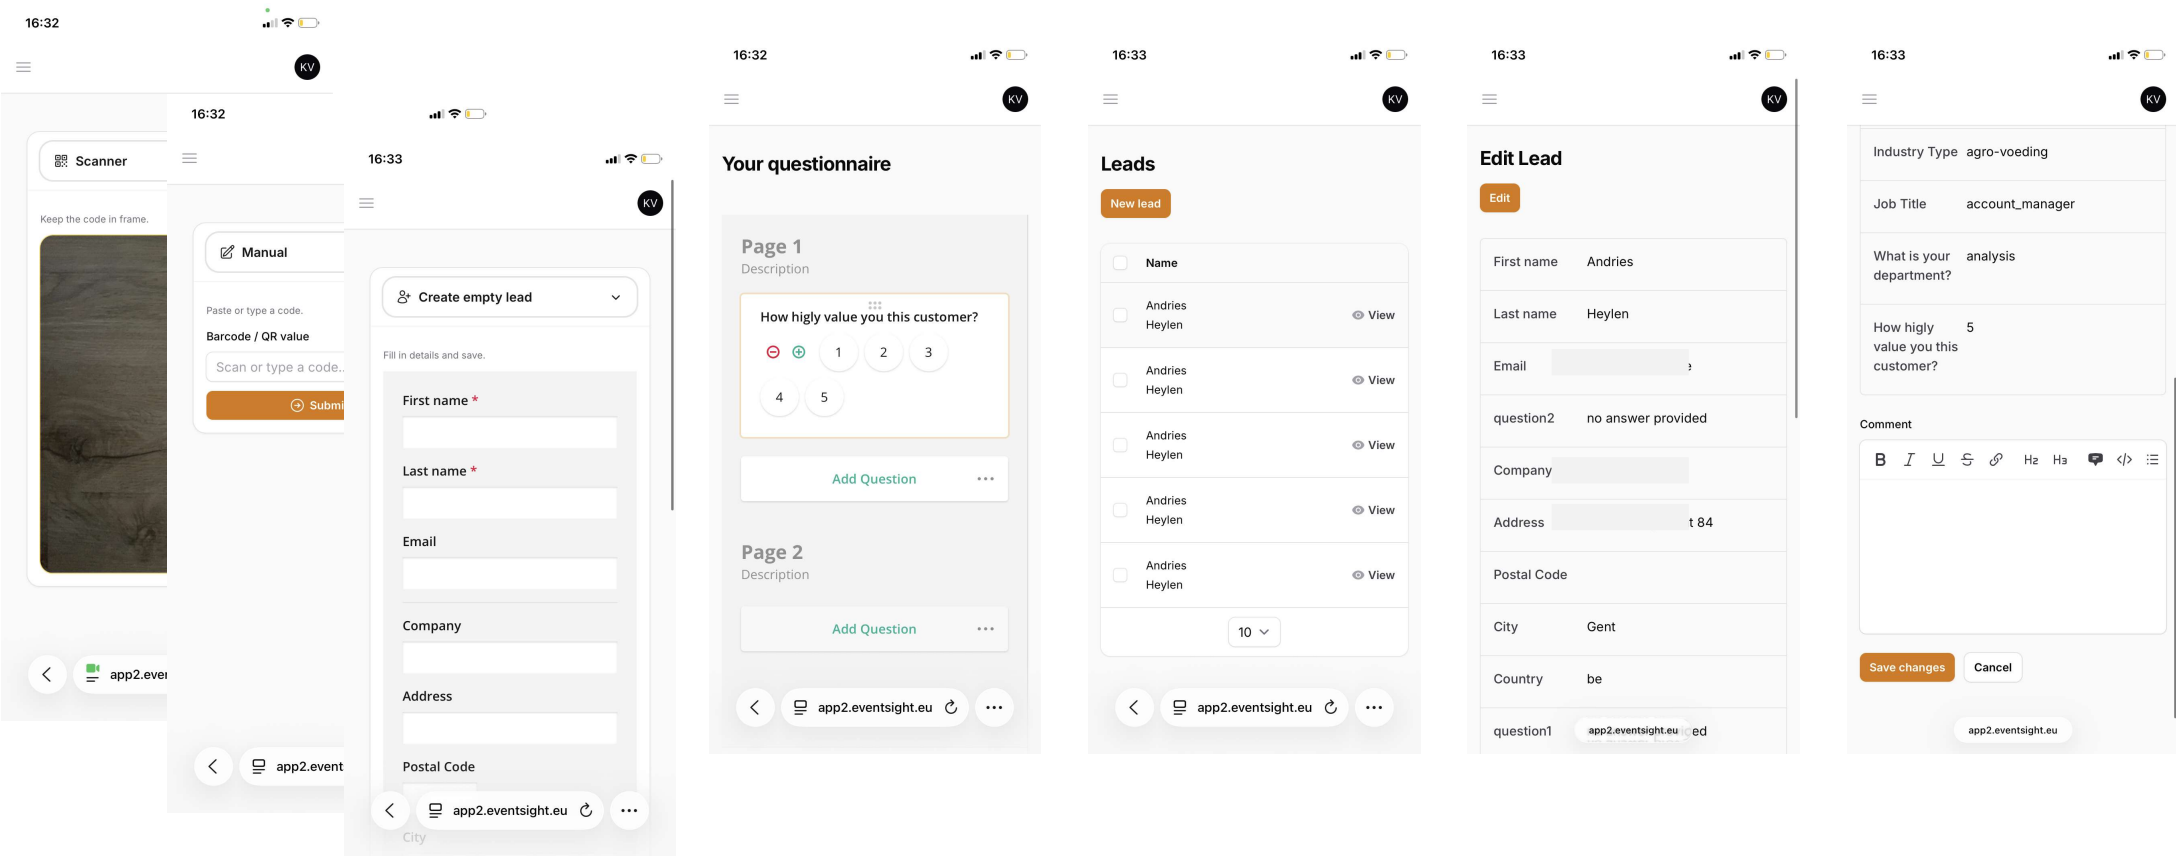

Lead Capturing

- Badge scanning through the Laborama app on your smartphone
- Possible to completely configure the questionnaire according to your needs
- Want to use your own lead capturing software?
Contact us at info@laborama.be

Lead Capturing

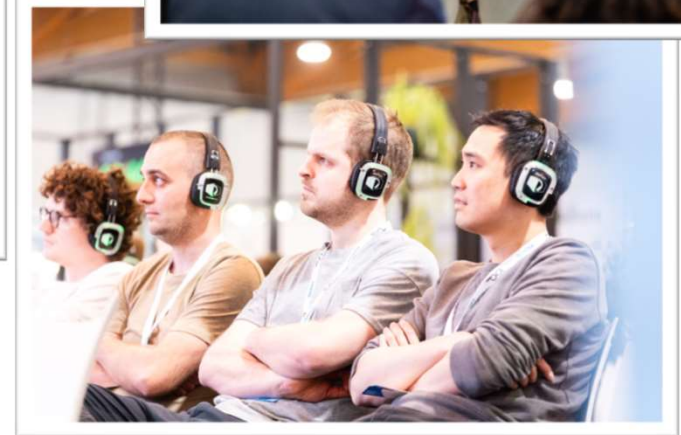

Lead Capturing: Exhibitor Portal

- Main contacts will receive an invitation email to give access to their respective company portal
- Via the portal you can:
 - Configure & manage Lead capturing
(set up your question form, export captured leads)
 - Update and refine your company profile that is visible in the app
 - View and manage your team
(register booth personnel and manage who has what rights)

What can you do?

- Promote yourself
 - expo.laborama.be
 - Exhibitor list
 - Exhibitor news
- Share our LinkedIn-posts
 - While adding a note on your presence / booth number
- Invite your network: [personalised link per exhibitor](#)
- [Help us to improve our visitor database for future editions](#)

Attention!

- We don't share your contact details (except for our barterers)
- We don't work with any other organisation than our barterers
- Any e-mails or letters you receive to buy contact lists or
- promote your company in an online catalogue are scam!

Visitor database

- Reviewed (GDPR compliance) and new disclaimer
- What do you get:
 - All people registered for the expo
 - Name, address, function, purchase role,...
 - E-mail address if the disclaimer was accepted (vast majority)
- Sold for 150€ to members
- Sold for 200€ to non-members
- Separate message on this will follow closer to the expo (delay due to finalizing GDPR-review)

Visitor projects

- Visitors can indicate their project(s) while registering
- They have the option to
 - Share their info with exhibitors
 - Use Laborama as an intermediate
- Attention:
 - Most visitors register in the last 3 weeks before the expo
 - Projects will as a consequence come in short before the expo

Thank you for your attention
